PROFESSIONAL EXPERIENCE & PROJECT COMPLETION LETTER

Date: 25/09/2026

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Uddhavchandra Chandramoli** worked with **Lasya Enterprises** as an **AI Solutions Developer** from **January 2026 to April 2026**, during which he independently undertook the design, development, and implementation of an AI-powered system for the organization.

During this engagement, he was responsible for understanding the company's operational requirements, identifying areas where artificial intelligence and automation could improve existing workflows, and developing a practical technology solution to address those requirements.

He independently handled the development process, starting from conceptualization and system architecture to implementation, testing, and deployment. The resulting AI-powered system was successfully integrated into the company's workflow and is being utilized for its intended operational purposes.

The implementation of this system contributed to streamlining business processes, reducing manual intervention, improving operational efficiency, and optimizing the time required to complete relevant tasks.

Throughout the engagement, Uddhavchandra demonstrated strong technical competence, independent problem-solving abilities, ownership of the development process, and the ability to translate business requirements into functional AI-driven solutions.

His engagement with Lasya Enterprises concluded in April 2026 following the completion of the four-month development period.

We acknowledge his contributions and wish him continued success in his professional and academic pursuits.
