Uddhavchandra Pandi

AI/ML INTERN CANDIDATE | DATA SCIENCE

Mumbai | +91 93212 51312 | uddhavpandi@gmail.com | GitHub

PROFILE

Data Science learner at IIT Madras (ongoing), seeking an AI/ML internship. Built AI-enabled business tools, an OCR/NLP exam grader, analytics and forecasting features, and a preliminary building design review app. Experienced in taking a business AI solution from requirements through development, testing, and deployment.

EDUCATION

Data Science | IIT Madras | Ongoing

TECHNICAL SKILLS

Programming: Python, JavaScript, R
AI and analytics: scikit-learn, NLP, TF-IDF, cosine similarity, OCR, customer segmentation, time-series forecasting
Data and visualization: pandas, NumPy, statsmodels, Matplotlib, Chart.js
Apps and tools: FastAPI, Streamlit, Tesseract, OpenCV, Pillow, HTML/CSS, Git/GitHub

EXPERIENCE

AI Solutions Developer | Lasya Enterprises | Jan-Apr 2026

- Independently designed and developed an AI-powered system for business operations, covering requirements analysis, solution architecture, implementation, testing, and deployment.
- Integrated the system into company workflows; the project letters report reduced repetitive manual work and improved operational efficiency.

SELECTED PROJECTS

Nexua AI - Business Intelligence Platform | Live demo | GitHub
Built analytics for business datasets, including KPI reporting, customer segmentation, time-series forecasts, and market-news decision support. Stack: Python, FastAPI, pandas, scikit-learn, statsmodels, JavaScript, and Chart.js.

Exam Grader - OCR/NLP Answer Grading | Live app | GitHub
Developed a Streamlit tool that extracts text from answer sheets with OCR, scores answers using keyword and TF-IDF similarity, and summarizes class performance with distribution analytics. Stack: Python, Tesseract, OpenCV, Pillow, pandas, scikit-learn, NumPy, and Matplotlib.

Structura - AI Project Review | Live app
Developed a building design review workspace with project assumptions, an engineering verification checklist, and preliminary cost and duration estimates.

LEADERSHIP AND PROGRAMS

Orator Club Head | Student Council, Saraswati College of Engineering | 2024-25

- Led the Orator Club during the 2024-25 term and contributed to student-council initiatives.

Summer University Participant | Ural Federal University | July 6-19, 2026

- Participated in the "Summer University" project at Ural Federal University.

COURSES AND CERTIFICATES

- Discovering Artificial Intelligence and Machine Learning - Udacity
- Elements of AI - University of Helsinki and MinnaLearn (2 ECTS)
- Fundamentals of Machine Learning and Artificial Intelligence - AWS
- The Data Science Course: Complete Data Science Bootcamp 2026 - Udemy
- Mathematics - Basics to Advanced for Data Science and GenAI - Udemy
- Generative AI for Beginners - Udemy
